**Scripture Readings**

- Exodus 32:1-14
- Psalm 106:1-6, 19-23
- Philippians 4:1-9
- Matthew 22:1-14

I woke up this morning on the wrong side of the bed! Emotionally I'm capable of pretty severe mood swings. Then I came and read the first six verse of this Psalm and was ever thankful that I worship the living God of the universe who never changes. Sunrise and sunset, summer and winter, in adversity and prosperity – God parades past me the evidence of His unchanging nature. Even when the unthinkable happens and I'm caught off guard by crisis or tragedy, God is there to blend those dissonant chords into the musical pattern of His plan.

This week, be aware of your ever changing moods – and thank God that He is good and that His steadfast love never changes!
